What are the Hip Hop Crews?

Hip Hop Crews provide a team experience that will enhance a dancer's technical abilities, provide them with competitive & community performance opportunities. It is perfect for dancers who want to compete but do not want to train in other styles. The training is fun yet rigorous and designed to inspire dancers who have the desire to push themselves.

Hip Hop Crew placement is by invitation only. Criteria is based on technical skills and overall ability. Commitment to dance, enthusiasm, motivation and team/studio spirit are an absolute prerequisite. If you are interested in being invited to our one of our programs, please [fill out this form](#).
