

# RECITAL INFO

---

- Please review the schedule below to determine which recital (Cast) your child will be performing in. We have a variety of shows lined up, so be sure to find the right one for your child. (Please note that we strive to accommodate families with multiple children in the same show, but regrettably, this may not be possible for everyone.)
  - The recital will take place on the weekend of May 10-11th, 2024 at The Orpheum Theater, 146 Main Ave W, Twin Falls, ID 83301. All dancers who've registered for Recital classes in the 23-24 season will participate.
  - Dress Rehearsal: The Dress Rehearsal is a time for all performers to showcase their hard work and dedication. Classes aged 8+ will rehearse at The Orpheum Theater during the week of May 6th, while dancers aged Tiny and Mini dancers will have a special class at Ovation Dance. Older students will practice on the big stage, getting a feel for the lights and space, while younger dancers will have a tailored class to help them to feel confident and comfortable before the big day.
