

Ovation Dance Mini Dance Recital 2022 "Heroes VS. Villains!"

Dear Parents,

The recitals at the end of our dance year are a highlight of the dance season experience and are intended to give each dancer the opportunity to perform their newly acquired skills. Dancers love it because they are able to perform onstage in their beautiful costumes with their friends and loved ones close by!

After taking into consideration the feedback we received from our previous recital, we have decided that it is best to give our Mini dance classes their own performance! We are super excited to be able to work with the Orpheum Theater to make this event happen for your little ones.

ANSWERS TO FREQUENTLY ASKED QUESTIONS:

- What time does my dancer need to be there? Where is the Recital?

Recital is May 14th with the show starting at 10am. Theater doors open at 9:30 am. Dancers need to arrive at the theater in complete costume, hair and make up ready to dance at 9:40am. Please wait in the audience until your dancer is called upon by their dance teacher. 5 minutes before the start of the show we will line our dancers up by class and have them in their assigned seats, so that they can enjoy the show with their class until it is their turn to dance. The backstage helpers will take your dancer to her/his assigned area. Dancers stay with their class until after the Finale. Recital is held at the Orpheum Theatre 146 Main Ave W, Twin Falls, ID 83301.

- Do we have a Dress Rehearsal?

There will not be a Dress rehearsal for this show but we do need our dancer to come to the Theater on May 13th for picture day! Scroll down for more details on picture day. On Picture day you and your dancer are more than welcome to take a peek at the performance space and get excited about the show. They also will have a chance to see the "Big Kids" in action while they rehearse on stage!

- What if my dancer is in more than one class?

Not to worry we've got you covered. If you have a dancer who is in more than one routine, please bring their 2nd (or 3rd) costume in a bag with your child's name to our designated helper and they will set them up backstage. Please also make sure that shoes and accessories are labeled with your dancer's name. When it is time for a dancer to change they will be escorted to their changing room. A helper will be on standby if dancers need assistance with their costume. This ensures that parents can enjoy the performance stress-free.

- Do they have to wear makeup? What about hair?

Parents may decide on stage makeup for the show. That said, please be warned that dancers without any makeup on will appear washed out under the harsh stage lighting. Footlights and spotlights are bright and the best way to look natural under them is to rely on a little stage makeup. We recommend at least a warm blush, filled in eyebrows (especially for those with light hair) & a red or berry colored lipstick. Keep in mind the Recital is a once a year event, and feels a lot like playing dress up.

Hair needs to be in a center parted, slicked back low Ponytail. Ponytail can be straight or curly. Please secure bangs and other loose pieces of hair off the face using bobby pins, gel, and/or hairspray. All head/hair pieces should be secured in place with bobby pins. If your dancer has short hair, please do a half ponytail or pin the hair out of their face.

- Can I wait backstage with my dancer? Can my dancer sit with me during the show?

For the Safety of the Dancers, parents and guests are not allowed backstage at any time during the performances. Dancers will be able to sit with their class and cheer on their friends as they perform onstage. They love watching each other! This also helps our dancers feel like true performers.

- Will I be able to purchase a video of the performance? What about photos?

We will have a professional recording of the show and Digital Video Downloads will be available for purchase for \$10. [Order Here](#). This is to make sure that everyone is able to enjoy the show and there are no disruptions to the dancers onstage or other families in the audience. No one wants to see arms raised & Phones in front of them while their little one is onstage! Still pictures & video are allowed but must be taken in the designated Photo/Video Area. After the show feel free to take pictures with dance teachers, proud family members, classmates, etc.

- What does my dancer need to wear? What if there is a fit issue with the costume?

Please find your class costume info below. Costumes will be sent out after May 1st. We have already had your dancer try their costumes on and made exchanges for those who needed one, however sometimes slight alterations may need to be made. Try on your costumes immediately upon bringing them home. Call us with concerns as we have lots of costume adjusting/resizing tricks!
